**PETITION FOR CORRECTION OF PATENT TERM ADJUSTMENT  
BASED ON USPTO ERROR**

Commissioner of Patent  
P.O. Box 1450  
Alexandria, VA 22313-1450

Dear Sir:

Applicants hereby petition the Commissioner to correct the Patent Term Adjustment (PTA) amount calculated for the above-identified application. More specifically, Applicants request that 49 days be added to the currently granted amount of 731 days, resulting in a new PTA amount of 780 days.

An erroneous penalty of 49 days was apparently attributed to Applicants' allegedly late submission of a "complete" set drawings. However, as the evidence presented below shows, the penalty was improper, as the file and drawings were whole at the time of submission of the originally filed formal drawings.

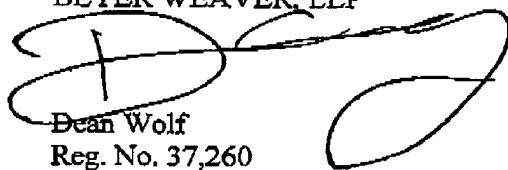

More specifically, Applicants received a Notice to File Corrected Application Papers dated August 21, 2007. The USPTO erroneously alleged therein that drawing 42 of 45 formal drawings was missing. However, Figure 42 had been submitted on December 11, 2001. Applicants filed in reply a Response to Notice to File Corrected Application on August 29, 2007. In the Response Applicants pointed out the error, and submitted evidence showing that a complete set of 45 pages of formal drawings was filed on December 11, 2001. The evidence also included a copy of a return stamped postcard indicating the receipt at the USPTO of 45 pages of drawings on January 7, 2002, and further included a cover sheet and a copy of drawing formal drawing page 42.

Apparently the USPTO did not consider the evidence presented in the Response to Notice to File Corrected Application filed August 29, 2007. The USPTO penalized Applicants 49 days, based on the erroneous understanding that a complete set of formal drawings was submitted only
